# Welcome to Smithville Lake

Smithville Lake offers 26 miles of horse/hiking trail on the southeast side of the lake. The trail begins at Crow's Creek Campground and ends in Arley Missouri.

- The area features a mix of rolling and flat terrain with many creek crossings. Fields of native warm-season grasses and row crops are scattered among timbered areas.
- The primary trailheads at Crow's Nest and Jack Rabbit Bend offer ample trailer parking.
- Crow's Creek offers 90 primitive camping sites for equestrians. Restrooms, showers, laundry and water hydrants are conveniently located.
- Orange indicators mark the shoreline trail and white indicators mark the boundary trail.
- Lettered locator posts have been placed along the trail to help riders reference their location on the map.
- The trails east of Collins Road are located on Public Hunting Ground. Use caution during hunting seasons.
